

Medical :Bed Mat

Model: PWB-1000-W-RJ-9-150

CHARACTERISTICS OF MODEL NO:PWB-1000-W-RJ-9-150

Material	PVC
Material characteristics	Meet Rohs.Reach and NO P
Dimensions(Tolerance : ± 1mm)	540x720x5(mm)
Contact form	NC normally closed
Max switching voltage	30 VDC
Max switching current	0.25 Amps DC resistive
Max carry current	0.25 Amps DC resistive
Contact resistance	< 1K Ω
Temperature range	-10 to 60°C
Plug	RJ-9 Plug
Features	<ul style="list-style-type: none"> ●Can be used with Mat Alarm : MFT-1000-W-NC ●Sensor pads are designed without holes to increase their water resistance and lifespan. ●Slim design provides patients with a comfortable seating environment. ●Large pad size helps reduce false alarms.
Warranty	One year warranty
